GERMAN PLEA IS REJECTED BY HARDING

President Refuses to Aid as Mediator in Fixing Reparations

SUGGESTS NEW TERMS

Says He Will Then Consider Urging Renewals of Negotiations—Text of German Note.

Washington, April 22.—President Harding yesterday declined to accede to the request of the German Government to act as mediator with the Allies on the question of reparations and to fix the amount the German people are to pay.

At the same time the President in replying to the German appeal, expressed conditionally the willingness of the American Government to act as an intermediary between Germany and the Allies in bringing about a resumption of negotiations for a settlement of the reparations terms.

If the German Government, the President said, would formulate new proposals constituting a "proper basis for discussion" he would consider bringing the matter to the attention of the Allies "in a manner acceptable to them."

The Berlin Government's appeal for American mediation to avert the contemplated coercive measures of the French and British was delivered to American Commissioner Dreisel and immediately transmitted to Washington, where it arrived early yesterday afternoon.

Secretary of State Hughes took the German note to the White House about 3 p. m., and discussed the question of a reply with the President. It did not take them long to decide that the United States could not accept the positon of umpire between a nation with which it still is at war and the nations with which it was associated in the war. Secretary Hughes returned to the State Department and dispatched his reply to the Berlin office through the American commission.

The action of the President and the Secretary of State conforms to the lines laid down in the previous Hughes note to Germany. In that communication Mr. Hughes said that the United States stands with the Allies in holding Germany responsible for the war and bound to pay reparation to the full extent of its ability, fairly and justly determined.

That the Harding Administration does not approve the reparations terms imposed on Germany by the Allies is apparent. Otherwise there would be no suggestion from Washington of a renewal of the negotiations and new proposals by Germany.

At the same time, it is clear the Administration believes Germany ought to accept the obligation to pay a far greater amount than it has up to date.

The Administration contemplates sending a representative to participate in the Reparations Commission meetings, and threby would regain a voice in determining the amount of the reparations if the negotiations should be reopened.

The Administration view is that the United States should be represented in the reparations and other commissions dealing with economic matters for the purpose of protecting further the interests of this country. Reparations are regarded as of direct concern to America for the reason that the economic reconstruction of Europe is dependent upon a just settlement of that question and the payment of the Allied debt to the United States and profitable trade with Europe are dependent upon speedy European reconstruction.

Berlin, April 22.—The text of the German note to President Harding as given out here follows:

"In the name of the German Government and the German people the undersigned, notwithstanding the still existing technical state of war, respectfully petition the President of the United States to mediate in the reparations question and to fix the sum to be paid by Germany to the Allied Powers.

"They earnestly urge him to secure the consent of the Allied Powers to such mediation. They solemnly declare that the German Government is ready and willing to agree, without reservations or qualifications, to pay to the Allied Powers as reparations such sum as the President, after examination and investigation, may find just and right.

"They formally pledge themselves to fulfill in letter and in spirit all the provisions of any award that may be made by him. With abiding faith in the righteousness of this request and with undeniable sincerity of purpose, the German people, through their constituted government, submit their appeal to the President of the United States with the confident hope that it will be granted, to the end that the final award may be made in accordance with rigid and justice, to meet the heartfelt wishes of all civilized nations to avoid the immeasurable consequences of the imminent corecive measures and to promote the peace of the world."

Also the day will be observed as a tag day by selling small silk poppies on the streets, for the benefit of the disabled and dependent ex-service men in the city. MEMORIAL HIGHWAYS INDORSED BY D. A. R.

Washington, April 22.—Proposals of memorial roads from Baltimore to Annapolis and thence to Washington were warmly welcomed today by the Daughters of the American Revolution, who are holding their congress here.

The proposals were followed by suogestions that the memorial roads be extended to Yorktown, Va., where Cornwallis surrendered. Property there has been given by the owners, to be treated as a national shrine, under the charge of the Daughters.

Mrs. William W Richardson, of Virginia, who led in proposing the new memorial roadways, said she had been advised by P. S. Ribsdale, secretary of the American Forestry Association, that great progress is being made on the memorial highways in different sections of the country. It was urged that the several States take part in erecting the memorials along the highways within their bounds.

Mrs. William H. Talbott, of Rockville, Md., asked the congress to go on record in support of the National Old Trails Road bill, recently introduced in the House by Representative Zihlman, of Maryland. The suggestion met general approval. The congress went on record against the destruction of the census records of 1890 remaining from the fire in the Department of Commerce, and in favor of staying the destruction of all records until they have been examined to ascertain whether they have historical or genealogical value.

Members of the Marvland delegation attended today the reception given the Daughters by the President and Mrs. Harding. They are interested today in the nominations for vice presidents general. Mrs. J. Charles Linthicum is one of the nominees and her friends expect her to be elected in the voting tomorrow.

HARDING TO ATTEND POHICK MAY 29

President Will Make Speech at Unveiling of Bronze Tablet

BIG CROWD EXPECTED

In Honor of The World War Veterans of Mt. Vernon and Lee Districts Who Made Supreme Sacrifice

President Harding today accepted an invitation to be present and make an address Sunday, May 29, at the ceremonies attending the unveiling of a bronze tablet in historic Pohick Church, Fairfax county, to be erected in that church in memory of the boys who made the supreme sacrifice during the world war.

A committee headed by Representative R. Walton Moore, H. H. Dodge, superintendent of Mount Vernon; Rev. E. W. Mellichampe, rector of Pohick Church and E. H. Allen this morning visited the White House and extended to President Harding the invitation. The President readily accepted the invitation and said he would be glad to be present and make an address on that occasion.

Funds for the erection of this tablet on which will be inscribed the names of those of Mt. Vernon and Lee districts who made the supreme sacrifice during the world war, was raised by the school children, Sunday School and other organizations

The fact that President Harding will be present and make an address will doubtless attract a large throng of persons to the exercises making it a national affair.

This church was completely restored through the efforts of Miss Amy Townsend of New York, ceremonies incident to it restoration were held in that edifice May 13, 1917, This edifice was greatly damaged during the civil war by soldiers, practically nothing being left of it but the brick walls and dilapidated roof.

TRIAL MARRIAGE FAILS

Wife Threatens Suicide When Husband Gets Divorce

Chicago, April 22.—Chicago's first known experiment with Fannie Hurst's "trial marriage" plan ended today in a divorce for the husband and a threat of suicide by the wife.

"I'll kill myself," Mrs. Ethel Kluge cried when she learned that a divorce had been granted to William B. Kluge, after a default hearing in the Superior Court. "It means social ruin for me. I'll be disgraced in my clubs. Suicide is the only thing left for me. I'm going to kill myself."

Kluge who is manager of the Chicago branch of a tire and rubber company, and his pretty wife, a prominent club woman, agreed on February 1 to try the matrimonial scheme of Fannie Hurst, a magazine writer who believes that husbands and wives should live apart.

It is said that the first split came over the question of money. Kluge accused his wife of extravagance. In his bill of complaint Kluge accused his "trial" wife of misconduct with other men.

Mrs. Kluge today denied that she had been served with notice of the suit.

BOY OF 11 FOUR YEARS WITH MARINE CORPS

Salt Lake, Utah, April 22.—Sergt. Berne L. Wooley, the youngest person to be enlisted in the army in the World War, was honorably discharged from the Marine Corps here yesterday. Sergeant Wooley is 11 years old now and when he enlisted in 1917 he was 7 years old.

When Sergeant Wooley's four brothers went to the marine recruiting station to "take on" for the war, he went with them and he made such a protest when the recruiting officers denied him permission to accompany his brothers that a compromise was reached and he was permitted to enlist in the recruiting division. His name went on the regular records and in 1920 when a shift was made Sergeant Wooley was "ordered" to Denver for duty. Later he was sent to the marine headquarters at San Francisco.

Sergeant Wooley's discharge certificate shows that he was responsible for more than 200 men joining the Marines in period of his enlistment. He attributes his success as a marine recruiter to the aid given him by a pet spider money, a pet parrot and a pet poodle dog.

Sergeant Wooley never missed school while he was enlisted in the corps. He reported to the officer after school hours donned his uniform and "rustled rookies.

$100,000 MAN NAMED AS HOOVER'S ASSISTANT

Washington, April 22.—Secretary of Commerce Hoover, who has been calling for a $100,000 man to become Assistant Secretary of Commerce, has been granted his desire by the appointment yesterday of Claudius H. Huston, of Chattanooga, Tennessee.

Mr. Huston is one of the most successful business men in his State. Years ago, he left his native State, Indiana, and went to Tennessee to become assistant professor in a business college. It was not long before he began to practice business instead of preaching it and rapidly was mounting the ladder of success." He has expanded his interests with the passing of time, until in the last decade he has been the dominant figure in half a dozen or more of the most important enterprises in Tennessee, and has extended his interests into neighboring States.

SHERIFF'S BAD MEMORY SAVES CONVICT'S LIFE

Shreveport, La., April 22.—The death sentence of Lonnie Eaton, the negro the Sheriff of Quachita Parish forgot about when the day set for Eaton's hanging came around last month, has been commuted by the State Pardon Board to life imprisonment, according to reports received heer today from Baton Rouge.

Eaton was convicted of murder several months ago and was brought from Ouachita Parish to the Caddo Parish jail for safe keeping. Governor Parker set the date for the hanging, but the Sheriff forgot all all about it until the legal date had passed. As he afterward wrote to Governor Parker, he was so busy he forget the day he was to hang Eaton.

When the omission was discovered attorneys for Eaton held that, as he had been in jeopardy once, his execution would be illegal, but the Attorney General held that, as Eaton had been sentenced to be hanged, the law required that the sentence be carried out, unless Executive clemency was extended. The matter was then allowed to rest until the meeting of the Pardon Board today.

WOULD SET UP DRY COURTS

Washington, April 22.—Establishment of commissioners' courts in the larger cities to relieve the Federal district courts of the congestion of prohibition cases is under consideration by the Department of Justice.

Attorney General Daugherty said today such a step would require legislation and that he had not as yet discussed it with either the President or the Senate Judiciary Committee.

Mr. Daugherty also said the department was investigating the alleged practice of persons representing themselves to be agents of the Department of Justice selling counter fit liquor permits. Many bogus permits are in existence in various parts of the country, he said.

SAY BOMB SUSPECT IS AN ANARCHIST

Detectives Connect Scranton Prisoner With Paterson Radicals

WITNESS TO SEE PHOTO

Luigio Unable to Explain Whereabouts on Day of Explosion—Police Tracing Further Clues

Scranton, Pa., April 22.—Tito Luigio, suspected of being the Wall Street bomb plotter, will be held for further investigation tomorrow, it was announced last night by Detective Thomas Martin of the New York Homicide Bureau, after the prisoner had been questioned for two hours by Martin, Secret Service P. J. Ahern and Detective John Cartuscello.

"We are still on the fence," said Detective Martin. "We expect something as soon as Captain has New York witnesses look at pictures of the suspect. These witnesses saw the man who drove the bomb wagon, and they should be able to tell him from the pictures sent to New York and Washington.

Police ascertained last night that Luigio s an Anarchist, that he is acquainted with Emma Goldman, Max Sterner and Carl Tresca and that he had bundles of anarchistic literature in his possession when arrested. They also learned that Luigio recently received a letter from an anarchist organization in Paterson, N. J., and that he was requested in the letter to contribute $25 to a fund being raised by Paterson radicals for "special work"

Much importance is attached to the Paterson letter because the police first traced the bomb wagon to that city, The prisoner also had a letter written in Italian, in his possession which reads in part:

"Sure, go to war and kill your brothers and get decorated with medals."

Luigio has given a good account of his travels for the last ten months, but he does not seem to recall where he was between Sept. 8 and Sept, 26. He has not been able to say where he was on Sept. 16, the date of the explosion. He denies emphatically, however, any knowledge of the Wall Street explosion.

Luigio has admitted that he dodged the draft in 1917 by registering under a false name and eluding the authorities. He has worked as a laborer, waiter and coal miner, and has been in many cities in the last year.

Detective Martin went to South Scranton this afternoon and looked over the abandoned mine where Luigio is said to have attended meetings nightly with a mysterious band of men who are alleged to have manufactured bombs. The opening into the mine has been almost closed by persons in the neighborhood dumping refuge into it. Detectives Martin and Cartuscello, however, are satisfied that no new evidence would be found in the mine should they be able to get into it.

Luigio is to have a hearing before a United States Commissioner tomorrow afternoon on a charge of evading the selective draft. After the hearing he will be brought back to Headquarters and held for further investigation.

The police here declare that by tomorrow night it should be known definitely whether Luigio was the driver of the bomb wagon.

Getting Their Feet in the Trough.

The representatives of 57 different industries in the South banded together as the "Southern Tariff Association" have appeared at Washington and asked Mr. Harding and the Republican leaders to "take care of them" in revising the tariff upward.

Which, it is said, has occasioned the Republicans much glee. Signs of a protective tariff South, and consequently a Republican South, they profess to see upon the distant horizon. Perhaps so.

If it is any consolation to the Republicans to learn that not all the tariff robbers infest any one section of the country and that the South is breeding its share of them they may take it to their bosoms with whatever joy and satisfaction they wish.

As for the real South however, the South of the farmer, the honest business man who wants no favor and the consumer, the South that does the voting, it will remain for many years to come wedded to the political philosophy of Jefferson and Jackson, "Equal rights for all and special privileges to none." And for the humanly greedy representatives of the 57 industries, who, seeing the trough about to be replenished with new buckets of tariff graft, simply could not refrain from trying to get their feet in it, we can only ask pardon for their bad manners and repudiate them as representing any solid element of the Southern people.

More Senate Usurpation.

An agreement exists between Republican leaders of the House of Representatives and the Senate whereby the Senate Finance Committee will proceed with framing revenue legislation while the House Ways and Means Committee goes ahead with work on permanent tariff revision.

The significance of this agreement is apparent. The House of Representatives is surrendering before the greedy and constantly encroaching power of the United States almost the last vestige of its constitutional right to originate revenue legislation. The new revenue laws are to be framed in that powerful committee room where the feet of the Senate oligarchs, Penrose Smoot and company are nudging one another under the table.

All of which must be rather amusing to a certain distinguished ex-President who was so lately accused and so violently of being the great usurping power in the United States Government.

And perhaps there will be those who will recall that the Democratic candidate for the Presidency in the last campaign repeatedly warned the people against centralization of legislative power in the United States Senate under a small group of Senators.

The Senate oligarchy was not a fiction for campaign purposes only. It is to-day a living reality.

Babe Ruth has knocked his third home run of the season. Getting back to normalcy.

A young man by the name of Dameron had dug up $14,000 in gold while ploughing on his fathers farm near Roanoke. Sounds like publicity sent out by the fathers' union to get their sons to do the spring ploughing.

A meteor has passed over Georgia showering hot metal as heavy as lead. The New York Nation probably sent it down to punish the Georgians for peonage.

MARY GARDEN ELECTED TO LEGION OF HONOR

Chicago, April 22.—Mary Garden, prima donna and director of the Chicago Grand Opera Company, has been elected a member of the French Legion of Honor, according to advices received yesterday by Harold F. McCormick, one of the principal backers of Chicago grand opera.

Miss Garden's efforts in behalf of French opera, signalizing a new policy in the Chicago company, were said to be responsible for the award.

Jolly Good Tubbing For Town First Order of Mayoress

Thayer, Kan., April 22.—Being women, Mayoress Forest and her fellow City Council have decided as their first official act to give this town a jolly good tubbing.

Sunday amusements, the town movies and such things are something for the evangelist to worry about, in the opinion of Mayoress Forest, but when a town needs a good scrubbing behind the ears there is a job a woman executive can handle to the queen's taste.

"The first thing we are going to do is to use soap and water on our town," she said today. "The park is a sight, there is dust all over the City Council rooms and the City Hall hasn't had a real bath since goodness knows when. Then we will order the grass trimmed in the cemetery and flowers planted. We will then go to work on the other things."

Mayoress Forest does not know as yet whether she will appoint a woman town marshal. Right now she does not know a woman in Thayer husky enough to handle the job.

HAYWOOD TAKES REFUGEE IN RUSSIA

New York, April 22.—Officials of the American Civil Liberties union here stated today that they had been advised Big Bill Haywood, for whom Federal authorities are searching, had arrived in Russia. This information, it was said, had been supplied by friends of the I. W. W. leader.

Officials of the union said they had no knowledge of how Haywood left the country on the eve of beginning his sentence in Leavenworth penitentiary in violation of the espionage act.

Chicago, April 22.—Otto Christensen, attorney for Big Bill Haywood, said he had been informed that Haywood sailed from New York on the Oscar II about April 1 and landed at Riga about April 16. He said he thought Haywood had gone to Russia on a personal mission and that he was not fleeing from the penitentiary sentence.

TEXT OF SECRETARY HUGHES' NOTE REPLYING TO GERMAN REQUEST

Washington, April 22.—The United States' reply, sent by Secretary Hughes, to the German note follows:

"This Government could not agree to mediate the question of reparations, with a view to acting as umpire in its settlement. Impressed, however, with the seriousness of the issues involved as they affect the whole world, the Government of the United States feels itself to be deeply concerned with the question of obtaining an early and just solution. This Government strongly desires that there should be an immediate resumption of negotiations and reiterates its earnest hope that the German Government will promptly formulate such proposals as would present a proper basis for discussion. Should the German Government take this course, this Government will consider bringing the matter to the attention of the Allied governments in a manner acceptable to them in order that negotiations may speedily be resumed."

International MOTOR TRUCKS

Greater Mileage at Lower Cost

TRANSPORTATION is the motor trucks task. Its value depends on its ability to provide dependable low cost service. You want your huliang or delivery equipment to work without delay or interruption. You want it to stand up through days and weeks and years of constant use. You want it to operate at a low-cost for fuel, oil and repair service.

That's why International owners are so enthusiastic about their trucks. They have found that they are getting the utmost transportation from their equipment—greater mileage at lower cost. And, if you ask them the reason why, these owners will tell you, "Its the International Final Drive."

No truck is better than its final drive—and the International has proved its superiority. It converts the power of the International engine into miles of economical transportation. Its mechanical efficency saves fuel—its durable construction saves repair bills.

ROSEMONT DEL RAY
BRADDOCK MT. IDA
ST. ELMO

Members and friends are invited to attend a reception to Rev. J. Raymond Wood, the new pastor of Del Ray Methodist Episcopal Church South, at 8 o'clock tonight in the church on Windsor Avenue, Del Ray. An interesting program has been arranged and it is expected that the church and Sunday School will be well represented.

Mrs. John C. Hildebrand and nephew, Thomas Pence, have returned to their home on Clifford Avenue, St. Elmo, having spent several days on the farm of her parents near Richmond.

Mr. Virgil Davis, of Braddock, has recovered from the attack of oak poisoning which he suffered last week.

The Ladies' Aid of Del Ray Baptist Church held their regular monthly meeting in the home of Mrs. Eustis Burke, in St. Elmo, yesterday afternoon.

Mr. Walter C. Davis, of Del Ray, is in Chicago on a business trip.

The "paint up" movement has reached Raymond Avenue, St. Elmo, and Messrs. P. D. Kennedy, Bernard Donnelly and George Garrett have newly painted the exterior of their homes on that street.

The Sunday School of Del Ray Methodist Episcopal Church South is in very good condition and the out look for future activities is fine. The enrollment is 225, which includes all departments; the average attendance last conference year was 125; and the school raised about $350 during the same time. The officers for the ensuing year are as follows: Superintendent, D. C. Chambers; assistant superintendent, Rev. O. C. Beall; secretary, George Kirkley and treasurer, Aubrey Spivey. The teachers, adult Bible Class, Rev. O. C. Beall; young peoples' Bible Class, Mrs. R. J. Yates; teen age boys, Mrs. H. C. Lusby; junior girls, Mrs. D. C. Chambers; junior boys, Mrs. J. W. Varbey, primary class, Miss Naomi Kidwell with Miss Beulah Brooks assistant, and beginners, Mrs. William Kidwell with Miss Edith Garrett assistant.

Rev. O. C. Beall delivered a splendid sermon last Sunday morning in the M. E. Church, Del Ray, and in the evening a goodly number of persons enjoyed a sermon on "tithing" by Rev. Dr. H. P. Hammill, presiding elder of Alexandria district.

Mrs. R. W. Goldsworthy and daughter, Clara Mae, of Rosemont, enjoyed a delightful week end visit in the home of Mr. and Mrs. Sam Moore, at Burks Station, Va.

Mrs. W. H. Hutchinson, from Chantilly, Fairfax county, Va., is the guest of her sister, Mrs. G. William Henderson, in her home in Rosemont.

Mrs. Elizabeth Hoffman's home on Cedar street, Rosemont, is being painted this week, white with green shutters, and looks very new and attractive and the brick residence of Mr. George W. Keys, on Rosemont Avenue, is receiving a coat of new white paint on the porchs and trim

Three President's Sons Are Among Callers at White House

Washington, D. C., April 22.—Three sons of formr Presidents of the United States were at the White House yesterday. They were:

Theodore Roosevelt, of New York, and now assistant secretary of the navy.

James R. Garfield, of Ohio, former fuel administrator, and son of James A. Garfield.

Scott Hayes, son of Rutherford B. Hayes, and a resident of Fremont, Ohio.

The fathers of all were Republicans. They called separately and assistant Secretary Roosevelt was at the White House on business of his department. Mr. Garfield called to discuss the transportation situation in its relation to coal, and Mr. Hayes paid his respects.

Rockefeller to Pay $2,000 Tax On Plant He Lets State Use

Bedford, April 22.—As a result of a final legal ruling by Attorney General Newton's staff, John D. Rockefeller, Jr., according to an official of the State Reformatory for Women in Bedford today, will have to pay a tax bill of $2,000 yearly on the social hygiene plant alongside the reformatory which he is letting the State use free of charge for the treatment of psychopathic prisoners. Mr. Rockefellar will get $1 a year rental from the State. It is reported that Mr. Rockefeller, appreciating the efforts of the reformatory managers to relieve him of taxation, will pay the taxes without protest.

SPORTS

The Alexandria Athletic Association, better known as the Triple A, will play the American National Bank of Washington, on the shipyard grounds tomorrow at 4:30 p. m. The bankers come here with four wins and no defeats, while the association boys have the same record. A real battle should take place on the shipyard Saturday.

Sunday the Independent A. C., of Washington, comes down with a great rep., one that should make the Triple A work hard to overcome as these boys are the pride of East Washington and are going to make us battle to win according to their managers letter, they should present one of the fastest teams that has ben in town for many months.

Jimmy Quayle and Savage will form the battery for the home boys and are sure to give the real exhibition that has made them the most feared battery in these parts since 1910. The team behind these boys is selected from eighteen Alexandria young men.

Saturday at 4 p. m., the Destroyers A. C., will cross bats with the Commerce Juniors, from Washington, The Washington lads have been going at top speed and the local boys will have to hustle to win.

Sunday they will play the Dividing A. C., of Warhington, at 2 p. m. This evening on the Alexandria high school grounds they will have a hard practice and the following players are requested to report. Snelling, Heflin, Cornell, Rolin, Jesse, Lash, Grover, De Vaughan, Upton, Cockrell, Cline and Owens.

The Alexandria Torpedo Station baseball team will play the Red Sox A. C., of Washington, tomorrow afternoon at 2:30 p. m., on North Alfred street diamond. All employes of the station are respectfully requested to attend this game and show their interests in the baseball team by attending all games played by the station team, both home and abroad. Help the team out by showing yourself at the games and we will show the people of Alexandria that we have a good baseball team. All local fans are also respectfully invited to attend the games.

Saturday at 3:30 o'clock the "D's" cross the old wagon tongue with the fast nine Camp Humphries Co. B., on Baggett's Field, and for Sunday Manager Allen, of the Dreadnaughts, has rearranged his schedule so the premier ball players of Southwest Washington will meet the locals. Sunday at 3 o'clock. The Linworths, as they are known, are composed of some of the best players in Washington, and if they are playing to their usual form, a spectacular game is promised. The Linworths have been contenders for trophies in most all lines of sport and if the locals upset them this early in the season, they will be playing a standard of baseball comparable to that seen in major leagues.

The coaches of the "D's" are highly pleased with the form of players in practices, and predict another win but admit it wont be easy Sunday. Come out, if you can and see this game, and you will see what the "Big Club" is doing to promote baseball for the Alexandria fans.

CITY NEWS IN BRIEF

Mrs. Margaret Hunter Vansant who has been quite sick at the Alexandria Hospital, is improving.

Rev. Robert Browne, newly appointed pastor of the Methodist Protestant Church, arrived today and will preach at both services Sunday.

C. Chadekel, living at 929 Oronoco street, reports to the police that his Hudson seven passenger automobile was stolen last night from his garage. The machine has a black body and yellow wheels.

All members of the T. E. L. Class of the First Baptist Church are requested to assemble at that church at 1:30 o'clock tomorrow afternoon for the purpose of attending the funeral of Mrs. S. W. Pitts.

A porch festival will be held Saturday afternoon from 3 till 6 o'clock at the residence of David N. Rust, Lloyd Arlington county, under the auspices of the Junior Auxiliary Society of Braddock Episcopal Chapel.

The body of Mrs. Samuel W. Pitts who died in Detroit, Mich., arrived here this morning and was taken to her late residence 216 South Royal street from whence the funeral will take place at 2 o'clock tomorrow afternoon.

PROPOSES FOOTRACE

Lynchburg, Va., April 22.—Harry St. George Tucker, candidate for the Democratic nomination for governor, replying yesterday to charges made by E. Lee Trinkle, his opponent, that he is too old to be governor, issued what amounts to a challenege to his opponent for a 200 yard foot race.

Mr. Tucker declared that if he coud not beat Senator Trinke he would retire from the race. He admitted Seantor Trinkle might have an advantage over him in a football game, but he was confident that he could distance the Wytheville man in a 200 yards straight away.

Mr. Tucker said he believed a contest of this kind would have the effect of showing up the fallacy of some of the arguments now being used by his opponents.

SLAYER SUCCUMBS; WIFE IS IMPROVING

Washington, April 22.—Without regaining consciousness, Robert L. Fox 50 years old, 2215 Sixteenth street southeast, who shot his wife, Annie O. Fox, 46 years old, late Wednesday night and then turned the revolver on himself, died last night at 10 o'clock in the Emergency Hospital.

Unaware of her husband's death the wife is in a serious condition in another ward of the same hospital. She will probably recover if infections do not develop, though her condition was too serious last night to tell her of the death of her husband.

Fox and his wife lived with a daughter, Mrs. Lillian Barrett, at the Sixteenth street address. They had a dispute last Wednesday night over the wife attending a carnival at Anacostia without the husband's permission.

While Mrs. Fox was sitting in the kitchen with a 2-year-old daughter in her arms, Fox attacked her. She fled with the child to a lot in the rear of the home when Fox opened fire with a revolver. The bullet struck her near the right ear. Thinking he killed his wife, Fox twice shot himself in the head.

More Eggs or Money Back!

The Purina System of Feeding keeps the flock laying in the fall and the winter, because it supplies plenty of material for whites as well as for yolks. This enables the hen to make complete eggs of all the yolks that develop in her body.

When a grain ration is fed there is not enough protein for whites. Many yolks that form are not laid, but are eventually absorbed back into the system as fat.

You can now buy epsom salts without the awful taste and nausea, by asking your druggist for a handy package of "Epsonade Salts" which looks and acts exactly like epsom salts, because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

BANK OFFICIALS CAPTURED AND $25,000 SEIZED

Chicago, April 22.—In a spectacular daylight hold up five armed automobile bandits yesterday kidnapped and robbed the vice president and cashier of the Scheubert and Amberg State Bank, located in a quiet West Side residential district, and escaped with $25,000 in $5 and $10 bills.

John F. Amberg, the vice president, and Morton F. Stone, the cashier, left the bank in a small automobile to deposit the money in a down town bank. They had proceeded but a short distance when the robber car crowded their machine to the curb, and compelled the bank officials at the point of revolvers to climb out.

Their first act was to place the hats of Amberg and Stone well over their eyes, remarking that they did not care for them to get a good look for identification purposes. One of the bandits also said:

"Don't look at us. The police want me for one murder and I would just as soon pull off another one."

The robbers ordered the bankers, carrying the bag containing their money, into the bandit car and after driving for several blocks slowed up and ordered them from the car.

Our Standard of Purity— For You

THE Explorers who have ventured into that vast expanse of country toward the North Pole, tell us that very little germ life exists in the snowy regions of the Eskimo. They report that the snow and ice and continual low temperature makes it almost impossible for impurities to increase in this land of the midnight sun.

We have taken the cleanliness of the north land as our *own* standard of purity—however, we do not depend on the frigid temperature of our hardening rooms alone as the insurance of "The Velvet Kind" sterility. We further insist on the scrupulous Cleanliness of everyone in our plants, the spotlessness of all utensils and this standard of absolute purity is assured and upheld by our own staff of watchful Bacteriologists.

Ice Cream produced under this standard of Cleanliness and by our own *formula and method* (Patents applied for to protect our process) assures you the best and most nutritious, pure Ice Cream ever made.

We do NOT use gelatin, gums, starch, fillers, imitation flavors or foreign substitutes for cream—

But *We DO use pure cream, pure milk, pure cane sugar and genuine flavors in "The Velvet Kind" of our creation.*

Phone your dealer today for an order of the Cream that exceeds in charm even the good old fashioned kind your Mother made—

The New "Cream of Ice Creams"
